## Friday 24th November

Hello everyone, it may have been a four-day school week for the children this week, but it would appear that they have managed to squeeze five days' worth of learning into four! Well done everyone!

I've spent time with children in classrooms this week, learning all about expanded noun phrases in year 4 and how to write a diary entry in Year 6, great work!

### Road safety Week

We've been thinking about road safety this week, with an emphasis on keeping safe and knowing who can help us do this. Ruth, our school patrol colleague popped in on Monday for a chat with the children and she helped us understand why being sensible, calm and looking and listening carefully near roads is so important.

### Parent Forum Feedback

Thank you to all that attended the parent form this week. I'll be feeding back to you with the results next week.

Have a good weekend from Mr Arnold and the Beechwood Team

## BEECHWOOD MOVIE NIGHT

### **PTFA MOVIE NIGHT - Thursday 30th November - 3.15 to 5.15pm**

As you'll see from the poster, our wonderful PTFA are holding a movie night at school on the 30th November from 3:15 – 5:15pm. This is for all year groups, Reception to Year 6, but spaces are limited. Please sign up and pay through parent pay.

On the day, the children that attend the movie night will be allowed to bring dressing gowns, teddies and blankets should they wish to, so they can be as comfy as possible whilst watching the movie. Beechwood staff will escort the children attending the movie night to the hall at 3:15pm. Children can be collected from the hall via the small black gate at 5:15pm

If your child is in KS2, please complete the Walking Home Consent Form:-

## YEAR 3 DT

On Thursday afternoon, Year 3 welcomed Mike Townsend into their DT lesson. Mike spoke with the children about his job as a Structural Engineer and they were very keen to ask him questions. He brought in some workwear for the children to try on, they particularly enjoyed trying on the hard hat and goggles. Mike then spoke to the children about creating earthquake-proof structures and explained how he makes buildings safe for earthquakes. The children then thoroughly enjoyed building their earthquake-proof structures out of marshmallows and spaghetti. It got very messy and sticky but there were some impressive structures built with lots of teamwork involved!
