

We have been designing and making 3D dinosaurs.

Art

## Dinosaurs and Fossils

### Big Question: What are fossils?

We practiced our palaeontology skills by excavating chocolate chip cookies with cocktail sticks to uncover the fossils.

Year 3

Maths

Science

"We enjoyed creating fossils with saltdough!"

DT

We made volcanoes and watched the reaction between the bicarb and vinegar.

Year 3 have been exploring angles, lines and the properties of 2D and 3D shapes.
