Year 2 Term 1 Kings and Queens

This term we have been learning about Kings and Queens of Great Britain. We have looked at monarch that are present and some from the past. We made large posters about Queen Victoria. We made leaflets about King Charles after learning lots of facts about him. In computing, we learnt how to use Power Point to make a slide show to demonstrate all the information we had learnt. We wrote facts about different monarchs to put onto a timeline. We also spent time learning and singing the National Anthem.
