

Star Learners

Congratulations to all our Star Learners this week. We are proud of you all!

Week ending : Friday 6th February 2026

Wembury Class

This week our star learner is C. She has been working very hard in phonics, learning new vocabulary and singing beautiful songs. Well done C, keep up the good work!

Smeaton Class

M is our star learner this week for always trying her best, sharing her ideas with the class and also working very hard during our English and Rhyme Time lessons with her writing. We are so proud of you!

Firestone Class

J is our star learner this week. She has come back after half term really keen to complete her learning. She is answering questions with enthusiasm and is completing her learning quickly and accurately. Well done J!

Mayflower Class

This week our star learner is A. He has been trying hard in all of his learning, especially maths. He continues to impress me with his knowledge of multiplication and division. Well done A!

Saltram Class

T is our star learner this week for his brilliant maths work. He has been growing in confidence when starting tasks independently and has made fantastic progress with fractions as a result. Well done T!

Mount Batten Class

A has worked so hard on her learning this week and we are very proud of her. She always tries her best, even when things feel tricky. Keep believing in yourself and showing fantastic effort— well done!

Mt Edgcumbe Class

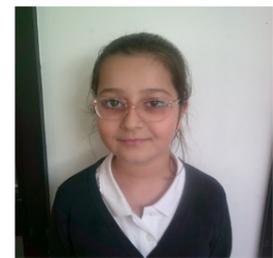

H consistently demonstrates a positive attitude towards his learning. He approaches tasks with enthusiasm and determination. He is always respectful, polite and considerate and a delight to have in class.

Dockyard Class

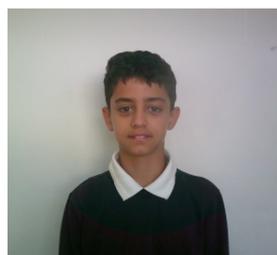

M is our star learner this week. He has been trying his best during his swimming lessons. He has also been working really hard in his maths and writing. Well done M!

Burrator Class

Our star learner this week is L. She has produced some fantastic writing and is applying her learning to her writing independently. Well done L!

Raleigh Class

R is our star learner this week for his hard work and dedication in maths. Well done for pushing yourself to Greater Depth Standard. Keep up the hard work!
