

## Reception 'All About Me'

Autumn 1 Term Summary

We have built relationships with our new friends and teachers. We have spoken about being a good friend, kindness, and feelings.

We have discussed the school's Ready, Respectful and Safe Rules and behavioral expectations in our setting. We have enjoyed receiving a variety of rewards.

We spoke about ourselves, families and communities in our 'All About Me' topic. Some of our highlights include:

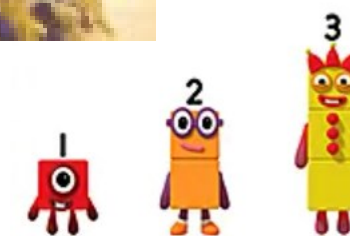

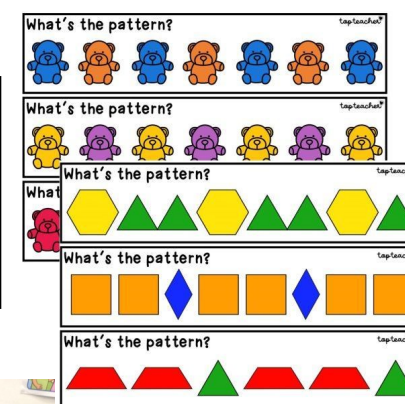

- Reading the story 'Owl Babies'.
- Talking about our families and making portraits.
- Using the book, 'The Something' to write a story about a ball that disappears down a hole. We also wrote facts about frogs.
- Creating our own community through collage. We loved sharing our art gallery with our friends and family.
- Learning about our body and naming our different body parts.

We had four story telling sessions with experienced story teller Ginny. Thank you to all the parents and carers who came and took part too.

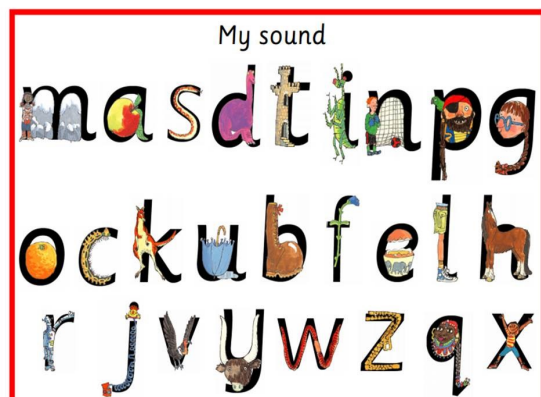

We have learnt how to take care of our lovely resident guinea pig Coco. We really enjoyed being able to give him a cuddle and can't wait to learn more about him.

We have been very busy in maths:

- Matching, sorting, and comparing.
- Copying, extending, and creating ABAB patterns.
- Subitising 1, 2, and 3.
- Practicing our 1:1 counting skills with Oscar owl.
- Beginning to explore the composition of numbers 1, 2, and 3.
- Recognising simple patterns.
- Comparing the weight of objects and using language to describe.

We learnt our Set 1 single sounds in 'Read, Write, Inc' and practiced writing the letters. We are starting to blend simple words, such as 'c-a-t' and 'f-o-x'.
