

Star Learners

Congratulations to all our Star Learners this week. We are proud of you all!

Week ending : Friday 6th February 2026

Wembury Class

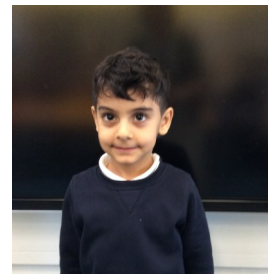

E is our star learner this week. She has been working very hard in maths - learning about the composition of 3 and has been showing this in lots of different ways. Well done E!

Smeaton Class

Our star learner this week is L. He has been trying very hard to show us how high he can count and writing numbers into the thousands. Well done L!

Firestone Class

S has been an absolute star this week. He is constantly asking for more challenges with his learning and is always eager to compete his work. It is wonderful to see him so enthusiastic about his learning.

Mayflower Class

A is our star learner this week because he has been challenging himself in both maths and English. He has been fantastic at solving two step calculations using his knowledge of arithmetic. Well done!

Saltram Class

B is our star learner this week for his super handwriting and always showing STAR. Well done B keep up the good work!

Mount Batten Class

M has been a fantastic role model in Mount Batten class. He consistently follows the golden rules, listens carefully and shows great friendship by being kind and helpful to others. Well done M!

Mt Edgcumbe Class

K is our star learner this week. She is a pleasure to have in class, always works hard in her learning and this week has shown great resilience. Well done K!

Dockyard Class

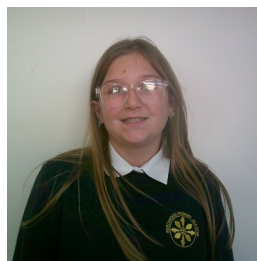

T is our star of the week for an outstanding effort to engage in work across the curriculum in every lesson this week and also for her kindness to others. Well done T!

Burrator Class

Our star learner this week is E. She has been working hard in all subjects and has shown good progress. Well done E!

Raleigh Class

H is our star learner this week for her dedication to her learning. She works hard in every lesson, but does so with a sense of humour at the right times. Well done H!
