

# Star Learners

Congratulations to all our Star Learners this week. We are proud of you all!

Week ending : Friday 14th February

## Brahms Class

Z is our star learner. He has settled into Nursery so well and has shown real kindness to his new friends. He has enjoyed learning the Nursery routines and listening well on the carpet.

## Mozart Class

J is our star learner this week. He has shown real resilience in his phonics learning this term. J now knows all of his set 1 sounds and some special friends! We are so proud. Well done J!

## Price Class

Our star learner this week is C for always coming into school with a smile on his face. C always works hard in his English and Maths work and has been working on his listening skills. Well done C!

## Vivaldi Class

M has shown such bravery (one of our Happy Minds characteristics) when coming into school each morning. Well done M, this has made a difference to your morning learning. Keep it up!

## Zimmer Class

Our star learner this week is J. He has tried hard to write the story 'Hermelin' independently. He used capital letters and full stops in his writing without help from a teacher. Well done!

## Lloyd-Webber Class

G is our star learner this week for his hard work in writing and his helpful and responsible attitude in art when making mod roc dinosaurs. Well done!

## Bernstein Class

K is our star learner this week. He has made an incredible start at Beechwood, diving into our topic work and making lots of new friends. Well done K!

## Dun Class

Our star learner this week is R for his collaboration and scientific working during experiments this week. Well done R!

## Holst Class

O is our star learner this week. She consistently demonstrates our school values amazingly. Furthermore, she has shown brilliant resilience when learning how to add fractions in maths this week. Well done O!

## Elgar Class

Elgar's star learner this week is L. She has been working hard on her times tables and was very successful at our indoor rowing. Well done L!

## Tchaikovsky Class

R is our star learner this week for excelling at algebra in his maths lessons and asking questions to clarify his understanding. Well done R!
