Spring Term I ~ 2023-2024

Year I ~ Usain Bolt and Laura Muir Classes

This term the Year 1 children have enjoyed learning all about different toys from the past and present. The children thoroughly enjoyed investigating how and why toys have

In English, we have been busy learning about the story 'Lost in the Toy Museum.' We have been acting out the narrative through freeze frames and storyboards! We have even written our own stories about our toys going on an

In Computing, Bolt and Muir class have been learning how to use algorithms to program a beebot! The children had to use directional language to direct their beebot on the map!
