

Computing

The children have been learning how to code on Scratch, creating their own maze game with a logical goal.

Science

We have been exploring light, what natural light sources are, what materials reflect light and investigating how shadows are formed.

Egyptians

Big Question: What made the Egyptians successful?

Year 3

DT

The children have been learning about running stitches, back stitches and sewing buttons to create their own Egyptian collars.

History

The children have been learning what artefacts are, why they're important, comparing ancient and modern Egypt features and why the Egyptians were successful

Maths

The children have been learning how to tell the time on analogue clocks.
