

We had an incredible visitor this term! The space dome came and took over the hall for a day!

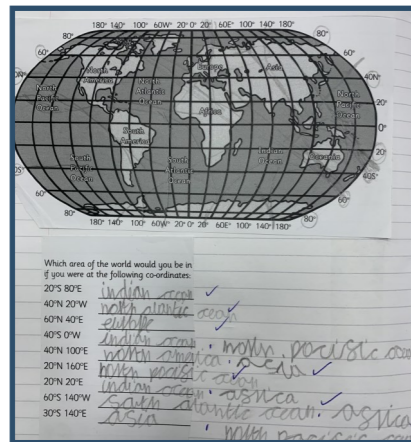

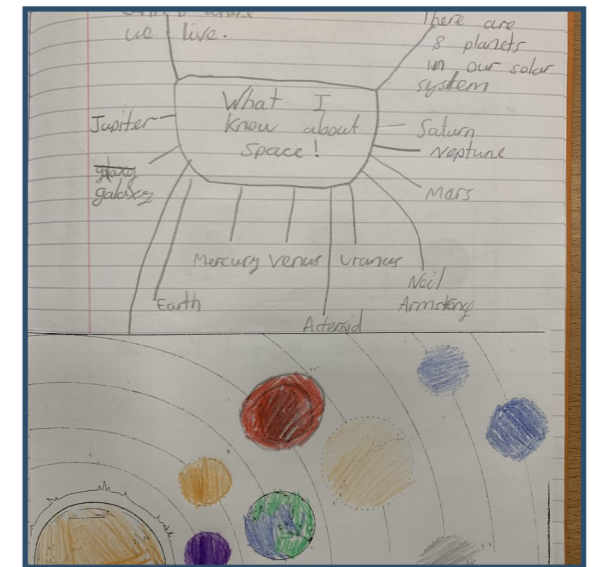

In computing we have been designing our own space website. We learnt all about how to add pages, text and images.

Celebration of Learning Year 4/5

This term Year 4/5 have learnt all about Space. We have explored all of the planets in our solar system and learnt some super facts about them!

In Geography, we have been looking at lines of latitude and longitude including the Equator, The Tropics and the Prime Meridian.
